Cabinet Wrench-Key 8 in 1

T4456 Cabinet Wrench-Key 8 in 1 provides greater ergonomics, comfort and accessibility for users, without sacrificing versatility. Suitable for electrical, Gas and water Cabinet Closures, it offers users the versatility of two 360° rotating key heads, incorporating double functionality. The Double-joint design improves ergonomics over standard keys, allowing users to transform the key into a T-handle for high-torque applications. With a compact profile manufactured from durable glass reinforced polymer, users will welcome the additional comfort, when in use or when carried in a pocket.
