

AC33809

MCB SP Type B 10A 10kA

Designed and tested for use with Lewden branded distribution boards

Thermal magnetic miniature circuit breaker

Available in B, C & D type

### Technical Specification

**Breaking Capacity: 10kA**

**Execution: DIN RAIL MOUNTING**

**Frequency: 50/60Hz**

**Poles: 1**

**Rated Current: 10A**

**Rated Operating Voltage: 230-400V~**

**Trip Curve: B**

**3-AC33809-2021-V1**
