

AC447226

IP20 constant voltage driver

- IP20 for indoor applications only
- Constant voltage driver for use with strip range only
- Non dimmable
- Maximum 12m total length of strip that can be connected in parallel
- 60W, 12V, IP20 constant voltage driver

Dimensional/Line drawings to go here

Technical Specification

Cap Type	na
Total Power	60
Width (mm)	45
Length (mm)	170
Unit Weight / kg	0.22
Height (mm)	28
