

AC6079

15 Litre Unvented Water Heater

- **15 litre capacity water heater, ideal for single kitchen or muor dual outlet point-of-use**
- **Thermostatic control up to 65°C with thermal cut-out safety protection**
- **Heating element `ON' neon indicator**
- **Rustproof, glass-lined tank for long-life and higher energy efficiency**
- **Magnesium sacrificial anode additional anti-corrosion tank protection**
- **High density thermal CFC-free polyurethane insulation to minimise heat loss**
- **Includes an accompanying 6bar pressure relief valve and dielectric junctions to safeguard against potential aggressive corrosion**
- **Supplied with wall mounting bracket and screw fixing pack**
- **1 year UK guarantee**

Technical Specification

Capacity:	15 litres
Power Output:	2kW@240V
Current Rating:	13 Amps
Temperature Settings:	5 to 65°C
Max. Inlet Pressure:	6bar (87 psi)
Water Connections:	1/2" BSP (via dielectric junction connectors supplied)
IP Rating:	IPX4
Approvals:	BEAB (CE Marked)
ErP Class Rating:	C
Energy Efficiency:	28
Daily Consumption:	3.25 kWh (Qelec)
